

HECTOR ST. JOHN BEATLEY.

APRIL 6, 1860.—Ordered to be printed.

Mr. FENTON, from the Committee on Invalid Pensions, made the following

REPORT.

The Committee on Invalid Pensions, to whom was referred the petition of Hector St. John Beatley, report:

That the petitioner asks for a pension dating from the date of his application to the Pension office, August 12, 1842, to the date of his present pension, April 5, 1845. While your committee do not doubt that the claim is meritorious, and that he should receive a pension for that time, your committee believe that class of pensions should come under a general law granting back pay, which they are maturing. They have therefore adopted a rule to reject applications that come before them for special legislation for that class of claims. They therefore ask to be discharged from the further consideration of the petition of the said Beatley.
